### PERSONAL PROFILE

I'm a hardworking student who always works to the best of my ability. I tend to struggle to learn new concepts initially but once I'm comfortable with the topics, I'm able to ace whatever test is thrown my way. I'm a good communicator and team player and will persist to help my team achieve whatever goal is set for them. I'm known for my optimism and enthusiastic energy. Creativity is my ball game and expressing it, is what I love doing.
